Tervs 'N Tutus and Best In Stuffed will follow the meal.

Since agility wraps up just as things at the host hotel are getting started, we asked if we could join the Welcome Reception to celebrate the end of our agility national with **Tervs 'N Tutus**: line dancing, dancing with your dog and "weave pole dancing".

We hope you follow up the Tutu craziness with an entry in the **Best In Stuffed**. You can find details for the Welcome Reception and **Best in Stuffed** in your Informational Brochure.

To participate in **Tervs 'N Tutus** you just need a Tutu and a sense of humor. Bring your own tutu or preorder one from us (\$10 each) Tutus may be worn by Tervs or their humans. Soon we will post a link on the ABTC 2017 website and FB with our line dance tutorial.

For Tutu questions contact -**Mary Penn-Soranno**
mmpenn@ntelos.net

Mary wants you to know that Tutu wearing is highly encouraged in the **Terv 2 Miler** on Thursday morning.
